Hello Skating Families!

With session one well under way, it is time to think to begin thinking about the annual Spread Your wings and Soar Cancer Benefit Show. Additionally, there is information listed below regarding other upcoming events.

Cancer Benefit Show Package

As you may have seen on the Skating Calendar, the show is back to it's original date, the 1st Saturday in November, which is Saturday 11/5. Related to that, next Thursday 9/29 is the LAST day to register to participate in the show by purchasing the "show package" listed on this year's brochure. The show package includes the cost of your skater's costume and so the show package MUST be purchased by 9/29 as costumes will be ordered 10/1 at the latest. We need to be very strict about this to stay on the time line for the show and pictures for the show brochure.

Costume Measurements

We will be measuring for costumes in the locker room tonight and next Thursday night. If you have purchased your show package, please be sure to go the locker room and be measured before you leave for the night either night. The sooner we have skaters measured, the better. We will have people in the locker room ready to measure. Please do not delay your lesson to be measured. Come in when your lesson is over or during your practice time so as not to disrupt lessons for other skaters.

Winterland Skating Club; Halloween Classic 10/29-10/30/2011
