Club News

Welcome to the final newsletter for the regular season of the club! Please watch for the newsletter over the summer, as we will be sending it out by email. The **August Newsletter will include information about the fall sessions and when registrations will be held.**

We wanted to thank all the skaters and parents for a GREAT year for the club!

Your help with selling show tickets and fund raising has been so beneficial to the club...we can't thank you enough! It is really wonderful to have so many parents and skaters involved in helping with the club's success. Thanks for sharing your children with us. The coaches love the enthusiasm and hard work the kids bring to skating. The kids do such a great job and work so hard. They have made great progress this year with everyone skating beautifully. It will be great fun to see them skating in the end of year show. **MANY, MANY THANKS!!!**

We hope to have continued success next year and can't wait to work with all of you again! Please remember to speak with any of the coaches or Maureen, your president, about things you might like to see happen with the club. All of your input is important, greatly appreciated, and will help the club continue to grow!

Disco Night Friday March 12th was a HUGE success!! Thank you to everyone who helped with and/or participated in the event.

We may try for one more disco night before the rink closes in April. Please stay tuned for more information!

Club News (continued)

We are distributing a survey for all parents/skaters to complete. **Please stop at the club table when you enter the rink on both Thursday and Saturday.** Please complete the survey and **place in the survey box on the table before you leave the rink.** This is an anonymous survey, so please be candid. We hope to use the information you provide to get a better feel for what people are looking for from the club and pair that with what we might be able to offer based on ice availability and our coaching staff. **Thank you in advance for your comments!!**

Rock of Ages Ice Show

Saturday March 20th at 7p!! **Please continue to sell tickets for the show!!**

Reminders:

Practice

- 10:45 AM on Saturday March 20th, all skaters, including Thursday night skaters.
- All skaters should be at the rink on Saturday night, no later than 5:30 PM. Warm-up ice starts at 6 PM.
- Children not in Ice Theater, but participating in the opening number should be at the rink by 6:45, skates on no later than 6:50.
- They should wear bright and comfortable street clothes.

Volunteers

Please see the coaches or Maureen if you are able to volunteer your help at the show.

Practice Ice

If you have a child that skates all year, there is **spring freestyle ice available at the Tri Town Ice arena**. Contact Jen Hurley or visit her skating club website

<http://www.granitestatefsc.com/> or the rink's website <http://www.tri-townicearena.com/figureskating.htm> for times and pricing.

Reminders to Students

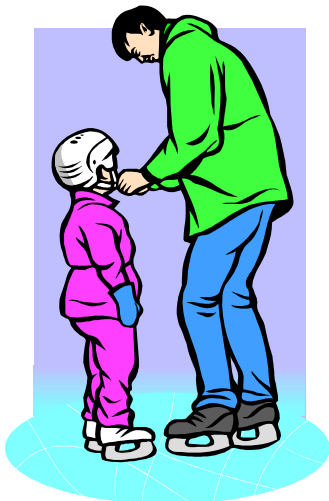

- **GREAAAAAT JOB!!!!**
- THANK YOU, THANK YOU, THANK YOU!!!!

Reminders to Parents

1. We can't thank you enough for sharing your children, your dedication to the club, and your hard work.

Heartfelt thanks from all the coaches and board members.

2. Look for the Newsletter off-season in your email boxes!!!
3. Please send any comments or information about your child's skating accomplishments that you would like shared in the Newsletter to sue@cnhskatingacademy.org

Upcoming Events/Competitions

ISI World Recreational Team Championships

Coach and skating director Jen Kaminski is interested in **getting a team together** for competing at the ISI World Rec Team Championships in July. The club participated at the ISI Worlds in 2007. Jen had several skaters compete at the event and all took home medals.

The event was a lot of fun for all involved and allowed the skaters to meet people from all around the country and world and compete against them.

Please let Jen know ASAP if you are interested!

Reach her at jen@cnhskatingacademy.org or by cell 603-491-3568

ISI World Recreational Team Championships

July 26-31, 2010
